Conditions of Issue

This certificate is issued by the Steel Construction Certification Scheme (SCCS) in recognition that the Management System operated by the Organisation was in accordance with the requirements of the Management System Standard / Normative Document at the time of the certification assessment.

Issue and retention of certification by SCCS is subject to the Organisation's compliance with the following conditions:

1. This certificate is not transferable.
2. This certificate is and will remain the property of the SCCS and shall be returned to SCCS on request.
3. The Organisation shall, upon reasonable request, provide safe access for the SCCS Scheme Management, Assessors and Observers to the works, office premises, erection sites (as relevant) and other locations where work relevant to this certificate is being carried out – for the purpose of monitoring continued compliance with the requirements of this certification.
4. The Organisation shall advise the Director of Certification, in writing, of any changes including – ownership, organisational structure, location, scope of work or service and any significant changes to the approved management system.
5. This document certifies that the Management System addresses all the requirements of the Management System Standard / Normative Document. SCCS does not however accept responsibility for any breach of relevant regulations, legislation or contract conditions by the certified Organisation.
6. The Organisation is permitted to use the SCCS and other logos (as exhibited on the certificate) on documents used to indicate SCCS certification of the management system identified on the certificate. The logo shall not be used on transport vehicles or on products/steelwork.
7. Issue and retention of this document is subject to payment of an annual certification fee. In addition, the certified Organisation shall provide access for regular surveillance audits and full management system re-assessment every third year. The fees for these services are reviewed and approved by the SCCS Certification Board annually.
8. The Organisation shall settle each of the SCCS invoices within 30 calendar days of the SCCS Ltd invoice date.
9. The Organisation shall comply with the SCCS regulations and all legislation relevant to the Scope of Certification.

Enquiries and complaints relevant to this Certificate should be addressed to:
