

## PAINT PREPPER

ADE Power is a Generator and Switchgear Acoustic housing specialist responsible for the design, manufacture, installation and service of our unique products.

Due to continued investment, we are looking for experienced Paint Preppers to join our team on a permanent basis. Applicants for work at ADE Power are expected to have previous experience within an engineering setting.

The position is aimed someone who is willing to assist in our industrial spray-painting team, general prepping, masking up, paint mixing and general labouring duties.

You will have a keen eye for detail and be used to working to very high specifications and standards, whilst working to tight deadlines in a fast-paced production environment.

No formal school qualifications are needed to secure a position with the business, candidates should have basic numeracy and computer skills.

ADE Power do not discriminate on the grounds of age, gender, race, colour, religion, disability or sexual orientation, and we welcome applications from all sections of the community.

Hours of work: 40 hours per week - Monday to Friday 0800 to 1630
